

All Soul Box Project exhibitions need to tell visitors how many individuals are being represented.

To have the sign, below, customized to your location, contact exhibit@SoulBoxProject.org.

Your exhibit-specific sign should be accompanied by at least one more sign (also printable from the [Resources page](#)) describing The Soul Box Project, so your exhibition is placed in the context of this nationwide art movement.

This sample PDF document is formatted to print 11 x 17. Venues may print on any material appropriate for the space.

This Loss We Carry

ART REVEALING THE GUNFIRE EPIDEMIC

These [insert #] **Soul Boxes**
represent the number of
men, women and children
SHOT
in [your city or state]
in just [#] months.

Half were killed.

Suicides were more than half of those deaths.
Gun violence, defense and accidents killed the rest.

Half were injured,
many disabled for life.
Countless thousands struggle
with psychological trauma.

All of our lives are diminished.

Have you lost—or feared losing—someone to gunfire?

It doesn't have to be like this.
There is no single solution, but
individual actions can prompt change.

*Feel the Loss.
Take Action.*

*Lock away your guns. Check on a distressed friend.
Host a Soul Box exhibit or event. Start a conversation.
Save Lives.*
